ORDER

KATHERINE B. FORREST, District Judge:

Plaintiff originally commenced this action on June 3, 2017. On August 9, 2017, this Court dismissed the action without prejudice for failure to obtain a registration before filing a lawsuit. The Court noted then that the plaintiff could refile upon obtaining a registration. On August 16, the Court received plaintiff's first motion to reopen the case, along with proof of a copyright registration issued on approximately August 10, 2017, effective as of April 24, 2017. (ECF No. 23, Ex. A.) The Court thus directs the Clerk of Court to reopen the case, and sets a schedule as follows:

1. Plaintiff must file an amended complaint by August 23, 2017;
2. Defendant must answer on or before September 13, 2017; and
3. Lead counsel for all parties shall appear for an initial pretrial conference ("IPTC") on **Tuesday, October 3, 2017 at 5:15 p.m.** All counsel in receipt of this order shall notify all other parties (or, if known, their attorneys) of the IPTC by serving each of them with a copy of this order and with a copy of the

Court's Individual Practices in Civil Cases. Counsel shall file proof of such service with the Court.

4. At least **four business days prior** to the IPTC, the parties shall jointly submit a proposed schedule in accordance with the form available at <http://www.nysd.uscourts.gov/judge/Forrest>.
5. Requests for adjournments shall be submitted at least **two business days prior** to the IPTC.
6. Counsel shall consult the Court's Individual Practices in Civil Cases (available at <http://www.nysd.uscourts.gov/judge/Forrest>) and comply with all other requirements for the IPTC.

SO ORDERED.
